

WYBA 2020-21 Winter Season Update

We have recently been informed that EANES ISD cannot guarantee us the use of its gyms in January 2021. Our hope and expectation are that the gyms will be available and that our WYBA 2020-2021 Winter Season will be conducted in the same manner as in previous years.

If the EANES gyms are not available, all WYBA 2020-2021 Winter Season activities will be hosted by the WACC.

In this case, the Recreation League teams will not have weekday practices. Instead, Recreation League teams will have a 15-20 minute practice prior to each of their games. Saturday games and practices will start between 8:00am and 1:00pm. If necessary, Recreational League games will also be played on Sunday morning between 9:00-12:00.

The Prep League Schedule will also be modified if EANES facilities are unavailable. The Boys Sr. Prep games will be held on Tuesdays and Thursdays. The Girls Prep and Boys Jr Prep games will be held on either Tuesdays or Thursdays. All Tuesday and Thursday games will start at 5:10pm or 6:30pm. There will also be some Prep League practices and games held on Sunday morning from 9:00-12:00

To assist us this season, we expect our members to avoid the gym if they have any Covid-19 related symptoms.

WYBA will follow facility guidelines and implement procedures similar to those adopted by the Westlake High School, Hill Country Middle School and Westridge Middle School basketball teams. Additionally, we will schedule extra time between games which will allow one group to exit the facility before the next group enters the facility thus limiting the number of people in the gym at one time. Finally, we encourage families to limit the number of people attending the game this season.

Thank you for your patience and understanding as we work around the scheduling challenges caused by the Covid-19 pandemic. We want the students to have a great basketball season and will continue working towards that goal. We appreciate you joining us in that effort.
